

*Pamela Joyce Shapiro, PhD*  
Curriculum Vitae

***Contact Information***

phone: 215 450-5414

email: [pamela.shapiro0001@temple.edu](mailto:pamela.shapiro0001@temple.edu)

***Education***

PhD, Cognitive Psychology, 2002  
Temple University Brain, Behavior and Cognition Program

Doctoral Dissertation: Creativity and bipolar diathesis: Relationships among trait and state affect, creative cognition, and clinical diagnosis of affective disorder. (2002)

Advisors: Robert Weisberg, Ph.D. & Lauren B. Alloy, Ph.D.

BA, Magna cum Laude, 1991  
Temple University Honors Psychology Program

***Postdoctoral Training***

Certificate in Epidemiological & Biostatistical Principles & Methods, 2008  
Drexel University School of Public Health, Department of Epidemiology & Biostatistics

Postdoctoral Fellow, National Cancer Institute R25: Education in Cancer Prevention and Control, 2006-2008, Fox Chase Cancer Center

Postdoctoral Fellow, Department of Defense Prostate Cancer Research Program, 2003-2005.  
Independent PI: Cognitive Performance, Quality of Life, and Psychosocial Adjustment of Men Receiving Androgen Deprivation Therapy for Treatment of Prostate Cancer. Abrahamson Cancer Center

***Positions***

2019 – Present Associate Professor of Instruction in Psychology, Department of Psychology and Neuroscience, Temple University

2016 - Present Director + 1 Program: BA Psychology/MS Psychological Research, Temple University

2013 - 2019 Assistant Professor of Instruction in Psychology, Department of Psychology, Temple University

2010 - 2013 Adjunct Assistant Professor, Department of Psychology, Temple University

2009 - 2011 Assistant Research Professor, Cancer Prevention & Control, Fox Chase Cancer Center

- 2006 - 2009     Assistant Member, Psychosocial and Behavioral Medicine, Fox Chase Cancer Center
- 2005 - 2006     Adjunct Professor of Health Psychology, Department of Psychology, University of the Sciences
- 2003 - 2005     Department of Defense Postdoctoral Fellow, Department of Psychiatry, Abramson Cancer Center, University of Pennsylvania School of Medicine
- 2001 - 2003     Postdoctoral Researcher, Department of Psychiatry, Abramson Cancer Center, University of Pennsylvania School of Medicine

***Honors and Awards***

- 2015 - 2020     Merit Awards annually for Teaching and Service, College of Liberal Arts, Temple University
- 2008             Delegate International Cognition and Cancer Task Force Workshop, Amsterdam
- 2003 - 2005     Participant National Institutes of Health Clinical Research Loan Repayment Program
- 2003             Fellow American Society of Preventive Oncology New Investigator Workshop
- 2002             National Cancer Institute/American Cancer Society Scholarship to Grant Application Training program at the first Biennial Survivorship Conference
- 2000             American Psychological Society Student Travel Award
- 1999             Bolton Fund Award to support dissertation research: Temple University
- 1991             James D. Page Prize for research in personality and psychopathology: Temple University
- 1990             Research Incentive Fund grant for Honors thesis research: Temple University
- 1988             Obel Memorial Prize in Poetry: Temple University

- Shapiro, P. J. (2007, May). *The reality of cognitive dysfunction in cancer: Research perspectives*. The Best of ONS Congress regional conference, Philadelphia.
- Shapiro, P.J. (2004, June). *But I can't find my way home: Perspectives on cancer-related cognitive difficulties*. Department of Oncological Sciences, Mt. Sinai School of Medicine, New York.
- Shapiro, P.J. (2003, June). *Neuropsychological sequelae of cancer and cancer-related treatment*. University of Pennsylvania Cancer Control and Outcomes Meeting, Philadelphia.
- Shapiro, P.J. (2003, June). *Memory, attention, and reasoning among men treated for prostate cancer: Subjective complaints versus objective measurement*. University of Pennsylvania Prostate Cancer Support Group, Philadelphia.
- Shapiro, P.J. (2003, May). *Examining cognitive performance among men receiving ADT for treatment of prostate cancer: Why prostate cancer? Why now?* Psychosocial-Oncology Seminar, University of Pennsylvania School of Nursing, Philadelphia.

### ***Extramural Funding***

- 2011-2014 Co-Investigator, National Institute of Nursing Research (R21): Work outcomes of colon and rectal cancer survivors. Total Costs: \$428,750
- 2009 Principal Investigator, National Cancer Institute: Providing Summer Research Experiences for Students. Total Costs: \$9,180
- 2007-2010 Principal Investigator, National Cancer Institute: Psychosocial Predictors of Cancer-Related Cognitive Change. Total Costs: \$171,500
- 2003-2005 Principal Investigator, Department of Defense: Cognitive Performance, Quality of Life, and Psychosocial Adjustment of Men Receiving Androgen Deprivation Therapy for Treatment of Prostate Cancer. Total Costs: \$98,000

### ***Teaching***

#### **Temple University Graduate Courses**

- 2016-present PSY 8016, Professional Development
- PSY 5104, Ethics and Ethical Conflicts in Psychological Science
- 2016- 2021 PSY 8015, Faculty Roundtable for Professional Issues in Psychology Careers:  
Two sessions, Teaching & Ethics

#### **Temple University Undergraduate Courses**

- 2013-present PSY 2101, Foundations of Cognitive Psychology
- PSY 3096, Conducting Psychological Research (WI)

PSY 1004, Critical Thinking in Psychology

PSY 3620, Topics in Psychology

PSY 4596, Capstone in Psychology (WI)

PSY 3791, Collaborative Research

### **Adjunct Positions**

2010-2013 Temple Ambler: PSY 2101 Foundations of Cognitive Psychology  
PSY 3620 Topics in Psychology

2005-2006 University of the Sciences Master of Health Psychology Program: Ethics and Legal Issues in Health Psychology

### ***Mentoring***

2017-present Program mentor for +1 BA/MS students: (2017-2019) Ross Divers, Rachel Carpenter, Jairo Colon; (2018-2020) Pricilla Colon, Kristina Dale; (2019-2021) Elizabeth Pinney, Brydie Boyle, Amanda Smith; 2020-2021 Daniel Hing; (2021-2023) Drew Kronstadt, Dylan Baum; (2022--) Marina Kaplan, Aleena Nasir, Tia Tropea

2017-2018 Faculty mentor to Samantha Zajdel, Paper presented at Temple Undergraduate Research . . Forum: *A Spectrum of Autistic Art*

2017-2018 Faculty mentor to Honors scholarship recipient, Madeleine Frazier

2017 Fall Faculty mentor to Diamond Peer Teacher, LiaJo De Stefano

2010-2012 Doctoral dissertation committee, Beth Rhoads, PSY D, Chestnut Hill College

2009 Summer Intern Supervisor for Rachel German, University of Michigan-Ann Arbor, Brain Behavior and Cognitive Science student, Fox Chase Cancer Center (as Principal Investigator: NCI ARRA supplement to R03 to provide a summer research experience)

2008-2009 Intern Supervisor for Temple University Public Health undergraduate students and University of the Sciences Master of Health Psychology students, Fox Chase Cancer Center

### ***Curriculum Development***

2014-S2021 Member: Psychology Department Undergraduate Studies Committee. Approval of new courses, revision of course curricula, set standards for continuity and overlap in course sequences.

2014-2016 Chair: Development of +1 BA/MS accelerated master's program in Psychological Research, including structure, course requirements, admission criteria, and two new courses.

## *Service Positions*

### *Service to the University*

2018-2021 Educational Programs and Policies Committee, Faculty Senate, Temple University

### *Service to the College*

2019-2021 CLA NTT Merit Committee, College of Liberal Arts, Temple University

### *Service to the Department*

2022-present Diversity, Equity, and Inclusion Committee, Department of Psychology and Neuroscience

2021-2022 Alumni Relations Committee, Department of Psychology and Neuroscience

2019 Presenter at Experience Temple Day for Psychology Department Undergraduate Program and +1 accelerated master's program

2014-2021 Undergraduate Studies Committee, Department of Psychology

2018 NTT Faculty Search Committee, Department of Psychology

2017-2019 Operations Committee, Department of Psychology

2017 Presenter at Experience Temple Day for Psychology Department Undergraduate Program and +1 accelerated master's program

2017 Committee to meet uniform teaching standards across the department for PSY 1004, Critical Thinking in Psychology and PSY 3096, Conducting Psychological Research

2017 NTT Faculty Search Committee, Department of Psychology

2016-present Director + 1 Program: BA Psychology/MS Psychological Research, Department of Psychology and Neuroscience

2015-2016 Committee to Address APA Ethics Scandal within the Psychology Department and College of Liberal Arts, Department of Psychology

2014-2016 Chair: Development Committee for Master of Science in Psychological Research and accelerated BA/MS Program (4 + 1), Department of Psychology

### *Service to the Profession*

2010-2012 Alliance for Quality Psychosocial Cancer Care committee member

2011 NIH Special Emphasis Panel/Scientific Review Group ZRG1 BBBP-J50/ZRG1 BBBP- J51

2010-2011	LiveStrong Young Adult Alliance Task Force
2010	United States-Israel Binational Science Foundation Grant Reviewer
2009-2010	NIH/NCI Small Grants for Behavioral Research in Cancer Control, Scientific Review Group ZCA1SRLB-Y
2009-2010	Adolescent and Young Adult (AYA) NCI Comprehensive Cancer Center Coalition
2009	NIH Special Emphasis Panel/Scientific Review Group BBBP-J, NIH Challenge Grants
2009	Society of Behavioral Medicine Session Chair, 30 <sup>th</sup> Annual Meeting, <i>Debilitating effects of cancer treatment</i>
2006-2010	Expert panel on Perceived Cognitive Function for NIH PROMIS
2006-2008	Pennsylvania Cancer Control Consortium (PAC <sup>3</sup> ) Planning Committee
2005-2008	Society of Behavioral Medicine Cancer Special Interest Group Steering Committee
2005-2008	Society of Behavioral Medicine Abstract Reviewer

### ***Service to the Community***

2012-2014	Program Chair, Education and Support, Lymphoma Research Foundation, Philadelphia Chapter
2007	American Cancer Society, Community Investment Program, Grant Reviewer

### ***Professional Memberships***

2013-present	Society for the Teaching of Psychology, APA Division 2
2000-2022	Association for Psychological Science
2002-2012	Society of Behavioral Medicine
