Experience

Policy Surveillance Program – Center for Public Health Law Research – Beasley School of Law at Temple University, Philadelphia, PA

Law & Policy Analyst – May 2019 – Present

Search and analyze the law in specific policy domains across time and jurisdictions. Create qualitative data from the law to be used by evaluators in the public health space. Train others, internally and externally, to utilize the policy surveillance methodology.

Community Health Law Project – Union/Hudson County, Elizabeth, NJ

Law Graduate/Legal Assistant – November 2018 – May 2019

Legal research and writing, specifically involving legal issues involving the disabled and indigent populations of Union and Hudson County. Conduct in-office and home visits with clients and potential clients regarding their particular legal needs. Attend administrative hearings and special civil part judicial proceedings on behalf of clients.

LGBTQ Legal Education and Outreach Project, Newark, NJ

Student Coordinator and Legal Assistant – Newark LGBT Clinic – September 2015 – June 2018

Administrative and logistical management of the project from the law school. Organize and manage student participation including research delegation, training, scheduling, and community outreach. Assist NYC LGBT Bar Association attorney in providing information and legal services for LGBT individuals from around the Newark area. Engage with the individuals to create a welcoming environment as part of their general intake, answering any questions and helping fill out forms.

National Center for Lesbian Rights, Washington D.C.

Policy Clerk – June 2017 – August 2017

Legal research regarding, among other things, bail reform, sex offender registry reform, and sustainable development goals as they relate to the LGBTQ community. In person meetings with LGBTQ coalitions in the D.C. area as well as conference calls outside the district.

Transgender Legal Defense & Education Fund, New York City, New York

Summer Legal Intern – May 2016 – August 2016

Legal research and writing for impact litigation related to transgender people nationally. Focused predominately on healthcare law, family law, and administrative law. Wrote memos, demand letters, replies to prisoners, as well as completed in person and on the phone client intakes.
